This material is for informational purposes only and is neither an offer of coverage nor medical advice. It contains only a partial, general description of plan benefits or programs and does not constitute a contract. Aetna does not provide health care services and, therefore, cannot guarantee results or outcomes. Consult the plan documents (i.e. Group Insurance Certificate and/or Group Policy) to determine governing contractual provisions, including procedures, exclusions and limitation relating to the plan. With the exception of Aetna Rx Home Delivery, all preferred providers and vendors are independent contractors in private practice and are neither employees nor agents of Aetna or its affiliates. Aetna Rx Home Delivery, LLC, is a subsidiary of Aetna Inc.

The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change without notice.

Certain services require precertification, or prior approval of coverage. Failure to precertify for these services may lead to substantially reduced benefits or denial of coverage. Some of the benefits requiring precertification may include, but are not limited to, inpatient hospital, inpatient mental health, inpatient skilled nursing, outpatient surgery, substance abuse (detoxification, inpatient and outpatient rehabilitation).

When the Member's preferred provider is coordinating care, the preferred provider will obtain the precertification. Precertification requirements may vary.

If your plan covers outpatient prescription drugs, your plan includes a drug formulary (preferred drug list). A formulary is a list of prescription drugs generally covered under your prescription drug benefits plan on a preferred basis subject to applicable limitations and conditions.

For information regarding how medications are reviewed and selected for the formulary, formulary information, and information about other pharmacy programs such as precertification and step therapy, please refer to our website at [www.aetna.com](http://www.aetna.com), or the Aetna Medication Formulary Guide.

Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions.

In addition, in circumstances where your prescription plan uses copayments or coinsurance calculated on a percentage basis or a deductible, use of formulary drugs may not necessarily result in lower costs for the member. Members should consult with their treating physicians regarding questions about specific medications. Refer to your plan documents or contact Member Services for information regarding the terms and limitations of coverage.

Aetna Rx Home Delivery refers to Aetna Rx Home Delivery, LLC, a subsidiary of Aetna, Inc., that is a licensed pharmacy providing mail-order pharmacy services.

Aetna's negotiated charge with Aetna Rx Home Delivery may be higher than Aetna Rx Home Delivery's cost of purchasing drugs and providing mail-order pharmacy services.

## Footnotes

All services are subject to the deductible unless noted otherwise. Some benefits are subject to age and frequency schedules, limitations or visit maximums. Members or Providers may be required to precertify or obtain approval for certain services.

Note: Please refer to Aetna's Producer World® web site at [www.aetna.com](http://www.aetna.com) for specific Summary of Benefits and Coverage documents. Or for more information, please contact your licensed agent or Aetna Sales Representative.

Deductibles, copays and coinsurance apply to the out-of-pocket maximum (OOP). After the out of pocket maximum is met, members continue to be responsible for any applicable premiums, penalties for failure to precertify (where applicable) and services not covered by Aetna.

<sup>1</sup> **Embedded** – No one family member may contribute more than the individual deductible/out-of-pocket limit amount to the family deductible/out-of-pocket limit. Once the family deductible/out-of-pocket limit is met, all family members will be considered as having met their deductible/out-of-pocket limit for the remainder of the year.

<sup>2</sup> **TIF (Non-Embedded)** - The individual deductible/out-of-pocket limit can only be met when a member is enrolled for self only coverage with no dependent coverage. The family deductible/out-of-pocket limit can be met by a combination of family members or by any single individual within the family. Once the family deductible/out-of-pocket limit is met, all family members will be considered as having met their deductible/out-of-pocket limit for the remainder of the year.

<sup>3</sup> **Rehabilitation services** - Coverage is limited to 30 visits per plan year PT/OT combined, rehabilitation and habilitation separate.

<sup>4</sup> **Chiropractic/subluxation** services are limited to 30 visits per plan year.

### <sup>5</sup> **Pharmacy**

Choose Generics applies - If the physician prescribes or the member requests a covered brand name prescription drug when a generic prescription drug equivalent is available, the member will pay the difference in cost between the brand name prescription drug and the generic prescription drug equivalent plus the applicable cost-sharing. The cost difference between the generic and brand does not count toward the Out of Pocket Limit. Not all drugs are covered. It is important to look at the Drug List (Aetna Value Plus Formulary) to understand which drugs are covered.

## **Network**

How your out-of-network care is reimbursed: We cover the cost of services based on whether doctors are "in network" or "out of network." We want to help you understand how much Aetna pays for your out-of-network care. At the same time, we want to make it clear how much more you will need to pay for this "out-of-network" care. You may choose a provider (doctor or hospital) in our network. You may choose to visit an out-of-network provider. If you choose a doctor who is out of network, your Aetna health plan may pay some of that doctor's bill. Most of the time, you will pay a lot more money out of your own pocket if you choose to use an out-of-network doctor or hospital. When you choose out-of-network care, Aetna limits the amount it will pay. This limit is called the "recognized" or "allowed" amount.

## Footnotes

PPO and HNOption Plans:

Professional Services: 90% of Medicare

Facility Services: 90% of Medicare

Indemnity Plan:

OON Prof Reimburse: Fair Health 80%

OON Facility Reimburse: 300% of Medicare

Your doctor sets his or her own rate to charge you. It may be higher – sometimes much higher – than what your Aetna plan "recognizes." Your doctor may bill you for the dollar amount that your plan doesn't "recognize." You must also pay any copayments, coinsurance and deductibles under your plan. No dollar amount above the "recognized charge" counts toward your deductible or out-of-pocket maximums. To learn more about how we pay out-of-network benefits visit [Aetna.com](http://Aetna.com). Type "how Aetna pays" in the search box. You can avoid these extra costs by getting your care from Aetna's broad network of health care providers. Go to [www.aetna.com](http://www.aetna.com) and click on "Find a Doctor" on the left side of the page. If you are already a member, sign on to your Aetna Navigator member site.

This applies when you choose to get care out of network. When you have no choice (usually, for emergency services), some of our plans pay the bill as if you got care in network. For those plans, you pay cost sharing and deductibles based on your in-network level of benefits. You do not have to pay anything else. Other plans pay the bill differently. And, under those plans, you may be responsible for more than your in-network cost sharing. The additional amounts could be very large. Look at your plan or contact us to find out more about how your plan pays for emergency services.

This material is for information only and is not an offer or invitation to contract. An application must be completed to obtain coverage. Rates and benefits may vary by location. Health/dental benefits and health/dental insurance and plans contain exclusions and limitations. Plan features and availability may vary by location and group size. Investment services are independently offered through PayFlex. Providers are independent contractors and not agents of Aetna. Provider participation may change without notice. Aetna does not provide care or guarantee access to health services. Not all health and dental services are covered. See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features are subject to change. Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions. Information is believed to be accurate as of the production date; however, it is subject to change.
